BOARD OF COUNTY COMMISSIONERS • COLUMBIA COUNTY

2024 Information and Services Letter

Dear Lenders, Insurance Agents and Real Estate Offices:

We would like to provide information for your use. We are doing this in an effort to provide as much information as we can about flooding and the resources available to you and your clients. Visit the Columbia County website at www.columbiacountyfla.com you can find helpful information and links to websites you can access.

We have a Property Map Explorer feature where you can print a map of the property to include BFE data, minimum flood stage elevations, floodways, all lakes, rivers, streams and wetlands; this database is always being updated. This map also shows you the property density.

We maintain elevation certificates for permitted structures within Columbia County and the FEMA Flood Maps. You may also contact the Building and Zoning Department by calling 386-758-1008 or visit our office located in the Court House Annex Building at 135 NE Hernando

Ave, Suite B-21, Lake City, FL 32055.

See the attachments "What Residents Should Know" and "Build with Flood Damage Resistant Materials." Working with property owners, you need to be aware of answers to a variety of questions before and after a flood. The following attachments give you these topics...

1. "Know your flood hazard."
2. "Insure for your flood hazard."
3. "Protect people from the hazard."
4. "Protect you property from the hazard."
5. "Build Responsibly."
6. "Protect natural floodplain functions."

Your local flood map information can be found at www.srwmdfloodreport.com, you will need the properties parcel number, which you can find by accessing <http://columbia.floridapa.com> or calling the Columbia County Property Appraisers Office at 386-758-1083.

Thank you,

Columbia County Building & Zoning Department
